The PLUS Provider vision network enhancement

When it comes to helping your employees stay healthy and productive, offering a high-quality vision plan is one thing. But getting them to make the most of their plan is everything. **The PLUS Provider vision network enhancement** is specifically designed to help by making it more affordable for your employees to get the annual vision care they need to stay well.

Here's how it works:

Big savings

As an enhancement to your current vision plan, employees can take advantage of these extra savings and benefits* simply by choosing a PLUS Provider:

- A \$0 annual eye exam
- Additional \$50 frame allowance
- Additional \$50 contact lens allowance
- **Optional additional add-on:** \$100 allowance for a second pair of glasses —and that's after the 40% off second-pair discount

Easy access

With **more than 6,100 PLUS Providers*** across the country**—retail, independent and online—your employees are sure to find one that's convenient for them.
